

➔ NOTE: The black line identified by the arrow shows the approximate public right of way boundary. Please note that the property line is 2 feet behind the public sidewalk on South Howell Avenue and 10 feet behind the public sidewalk on East Bolivar Avenue.

↔ Close curb cut and restore to City of Milwaukee specifications.

- Free standing Sign must be removed and may be replaced with monument style signage.

↔ Remove raised planter at the corner and install new green scape (within ROW).

↔ Consult a landscape architect regarding landscaping along the street frontages. Contact Ms. Dawn Schmidt, Department of Public Works (414)286-2454 regarding approvals for work in the public right-of-way. Refer to MCO 295-405.
